Insurance and Personal Injury

It is a condition of joining any of our tours that you must be insured against medical and personal accident risks (to include repatriation costs, air ambulance, and helicopter rescue service). You must ensure that the policy you buy offers the level of protection you need and covers you for the activities involved - be aware that some policies do not include, or may restrict, coverage for horseback riding and other activities. There may be cheap policies available, but cheap does not always equate with good value - we strongly advise you check fully what will and won't be covered. In particular, cover provided by credit cards is often very restricted. You will be asked to provide details of your insurance policy, including insurer, policy and phone number on the morning of your trip departure. Any claims concerning matters for which you are insured must be directed to your insurers.

For your protection, we strongly recommend the purchase of travel insurance. Travel insurance should provide you with trip cancellation/interruption, travel delay, medical expenses, emergency assistance, air flight, baggage and baggage delay coverage to protect your financial investment. Medical coverage purchased with your policy will also satisfy our requirement for health insurance. You are responsible for making all of your own arrangements for travel insurance cover, health and sickness cover, and any other insurance policies that you deem necessary to undertake the Tour. **NDN-EJE-GNA IS NOT LIABLE OR RESPONSIBLE FOR PROVIDING ANY GUESTS WITH ANY FORM OF INSURANCE OTHER THAN THAT WHICH**
